I'm still in LA. Sanjiv is asking why Derm and HRT was on hold. Didn't reply to him.

Having difficulties inputting in Monday.com I keep getting the pop up "you cannot perform actions on this board because you're not a member of the Monday.com sales CRM product"

Rayne SoCal list has been imported to Monday.com.

This list may have duplicates of the Los Angeles list from Medicare.gov. This list was generated from CMS website directly

Maybe they couldn't figure out how to change the admin

Sameer (4088028681)

I think they will reach out to Monday and ask them to reset

Ok. Sounds like I am out to. I can't log in anymore.

I am going to get new account for us

Sameer (4088028681)

Unfortunately NM data is gone.

Someone has inactivated both of you but surprisingly I am still the admin and no one else is there. This is really bizarre

Sameer (4088028681)

I think we can just create our own instance for now

8/4/23, 5:16 PM

Sameer (4088028681)

Do we need all the New Mexico data?

8/4/23, 5:16 PM

Maybelline Sana (7024159912)

Yes

Make sure the NM data is actually NM. Some Vegas stuff was mixed in that column

8/4/23, 5:20 PM (Viewed 8/4/23, 5:22 PM)

Sameer (4088028681)

The danger is taking that data out now. Sounds like some is watching. The account deactivation is a real stuff
